

2023 CCEC FOUNDATION COLLEGE SCHOLARSHIP (Instructions)

One student each from East Carteret, West Carteret, Croatan and Havelock high schools will be selected to receive a scholarship. The fifth recipient will be the next highest scoring applicant and may include students from other schools, such as Jones Senior High School, Early College EAST, Gramercy Christian School and home schools.

The scholarship program is open to students whose primary residence is on Carteret-Craven Electric Cooperative's lines. To qualify, the student must be a high school senior in the current graduating class and must be accepted at a 2-year community/technical college or 4-year college or university.

All applicants will be considered on the stated criteria, regardless of race, age, color, religion, sex, handicap or national origin.

Recipients are awarded up to \$4,000 total; \$500 each semester for eight semesters as long as the student maintains a 2.5 grade-point average (GPA).
